

Job Shadowing Expectations for the Professional

Thank you for agreeing to allow a CAMP student to job shadow you!

Job Shadowing Goal: Through job shadowing students will experience a realistic aspect of what a typical day in a particular career field or job would be like....both the rewarding and challenging aspects of the career.

Some points to share with the student may include:

- Your typical duties and responsibilities
- Training and/or education you received to prepare you for this career
- What interpersonal skills are required to be successful in this career
- Why did you choose this career
- Most rewarding aspect of your career
- Most challenging aspect of your career
- Typical salary range for someone in this career
- Positives about the company you work for
- Opportunities for growth within your company.
- Future of this job/career in the market
